DEPARTMENT OF CORRECTIONS

To:

OBSCIS#: 399909

Date: September 5, 2002

Through:

Compliance Officer

Telephone No: 269-7300

From:

Mel Henry

Health Care Administrator Medical Advisory Committee

Subject: Response to Grievance

Appeal Log #: 702 Dated: 6/27/02

I have reviewed your original grievance, your appeal, all your written requests for medical care, and the accompanying medical documents. Your grievance is for the facility where you are housed not having adequate medical staff to meet your medical needs.

#### FINDINGS:

Your grievance states that you have a heart condition and serious medical condition that the officers are not trained to recognize and properly manage during the hours that the medical department is not open.

All Department of Corrections facilities have a medical provider that is on call for the facility. The officers are trained in basic life support, automated defibrillators, first aid, and are trained to call the on call provider with non-emergent medical issues that occur during the hours that the medical department is not staffed, or to call Emergency Medical Services if the situation is an emergency. The medical provider for your facility may also medically move you to another DOC facility if your medical condition warrants such a move. At the present time there is no indication that the medical and security staff at Palmer Correctional Center can not meet your essential health care needs per DOC Policy #807.02.

Grievance appeal denied.
